

Your future starts here

PRN AMRATHA BHARATHI VIDYALAYA (STATE)

Affiliated to Karnataka Secondary Education Examination Board, Bengaluru

Amratha Bharathi Trust (R)

Established in 2006, Amratha Bharathi Trust (R), is a registered Public Charitable Trust comprising 11 Trustees and functioning in the field of education. It strives to provide value-based education to rural students in and around Hebri. After successfully launching a primary school, the Trust set up a high school and PU College.

President's Message

CA M Ravi Rao
President
Amratha Bharathi Trust (R)

PRN Amratha Bharathi Vidyalaya is an offering of Amratha Bharathi Trust (R), Hebri.

The Trust strongly believes that education is pivotal to the progress of society and comprises members who share the same concern and commitment to the cause of education and community development. Today, the educational institutions of Amratha Bharathi Trust (R) are known for their focus on excellence in all spheres and humanitarian outlook. Since inception, the Trust continues to work towards fulfilling its vision and mission.

With an aim to remain quality conscious, efficient and responsive to today's rapidly changing economic and technological developments, Amratha Bharathi institutions not only support students in pursuing scholastic excellence but also ensure that they are conscientious citizens who uphold civic values in public life so as to contribute towards the establishment of a just and equitable society. We aim to be the harbingers of change towards building a better nation and thus a better tomorrow for all its citizens.

Located in a verdant area at the foothills of the Western Ghats in Hebri, over 25 acres of land, at a walking distance from Hebri bus stand on Hebri-Karkala Main Road, the campus of PRN Amratha Bharathi Vidyalaya offers the learner an opportunity to be a part of a vibrant learning environment.

Excellent teaching faculty and state-of-the-art infrastructure make learning a pleasure.

B. Shailesh Kini
President
Amratha Bharathi Vidyalaya

I am pleased to welcome you and your child to the Amratha Bharathi Group of Educational Institutions. Our mission is to nurture a disciplined, motivated, and responsible young generation who will shape a better future for our world. Our educational institution is not only committed to imparting subject knowledge but also to cultivating critical thinking skills and encouraging our students to become productive members of society.

Our school, Amratha Bharathi Vidyalaya, is dedicated to integrating value-based education with academic excellence. We believe that it is essential to help children become conscientious citizens who promote values that contribute to the establishment of a just and equitable society. Therefore, we offer a comprehensive development program that teaches our students about the rich heritage and values of India.

Our school follows the "Panchamukhi Shikshana" approach, which is a powerful method for the holistic development of the child. This method focuses on providing intellectual, emotional, psychological, physical, and spiritual education to ensure that our students become well-rounded individuals.

Since our establishment in 2006, our motto has been "Krivantho Vishwam Aryam," which means "Make the child a noble person in the world." Our education is grounded in three core values - service, sanskar, and knowledge - to empower our students to become exceptional individuals who contribute positively to society.

Education is not merely about acquiring knowledge but also about developing wisdom and ethics. It is about preparing students for life and making them successful, responsible citizens who are aware of their duties towards their fellow citizens and their nation.

As the great educational thinker once said, a good teacher is one who dares to say "Give me a five year old child, after seven years not god or the devil will be able to change the child". Our faculty members possess not only deep knowledge in their respective disciplines but also supportive teaching skills to promote learning and positive attitudes, while grooming our students to be exceptional individuals and competent professionals.

As members of this educational institution, we strive to be a catalyst for change in building a better nation and a brighter future for all its citizens. Our goal is to create a community that promotes harmony, inclusivity, and the pursuit of excellence, so that we can all contribute towards building a better tomorrow for ourselves and our country.

We believe that education is not just about academic excellence, but also about instilling values that will shape our students into responsible citizens who will make a positive impact in their communities. Through our curriculum and extra-curricular activities, we encourage our students to think critically, empathetically, and creatively.

We invite you to join us in this mission of creating a better future for our country and its citizens. Together, we can build a community that is committed to excellence, inclusivity, and social responsibility.

A CHANGE AGENT OF GROWTH

Atal Tinkering Lab (ATL)

With a vision to 'Cultivate one Million children in India as Neoteric Innovators', Atal Innovation Mission is establishing Atal Tinkering Lab (ATL) in schools across India. ATL is a work space where young minds can give shape to their ideas through hands on do-it-yourself mode; and learn innovation skills. Young children will get a chance to work with tools and equipment to understand the concepts of STEM (Science, Technology, Engineering and Maths). ATL would contain educational and learning 'do it yourself' kits and equipment on – science, electronics, robotics, open source microcontrollerboards, sensors and 3D printers and computers. Other desirable facilities include meeting rooms and video conferencing facility.

Atal Tinkering Lab (ATL) in Amratha Bharathi Vidyalaya Hebri was inaugurated on 8th December 2018 by Shri V. Sunil Kumar, Minister of Kannada and Culture and the Energy Department of Karnataka. The Secretary of Amratha Bharathi Trust, heads of religious organisations, staff members and students attended the inauguration ceremony, which was followed by a demonstration of Robotics and IoT-based projects by the students.

The basic objective of ATL is to provide a work space for school students to apply their minds in understanding the technology in the projects they are implementing. Most of the students of our school come from a background where they do not get the required exposure to equip themselves with knowledge to deal with the latest trends in technology. ATL will give them that necessary exposure in such a way that the students will not only learn but also relish what they learn. Students from class 6 to 12 will be given access to the Lab under the guidance of mentors and trainers.

Digital Classroom

Amratha Bharathi is leading the way in modern education by embracing innovative technologies to enhance the learning experience for students. Despite the challenges of the pandemic, the school successfully utilized online platforms to provide exceptional content from subject matter experts, ensuring that students had access to a wide range of educational resources. Additionally, the school has invested in state-of-the-art technology to create a dedicated classroom that combines traditional in-person interactions with cutting-edge technology. This approach not only provides students with a more comprehensive education but also prepares them for the demands of the modern world. Amratha Bharathi's commitment to utilizing technology while still valuing traditional classroom interactions is a testament to their dedication to providing the best possible education for their students.

CO-CURRICULAR ACTIVITIES

We have several co-curricular activities that supplement and complement the classroom activities. These help to develop the student's personality as well as strengthen classroom learning.

Drama

SCHOOL AMENITIES

Library

The school library has a spacious reading room which is stocked with an extensive array of books related to various subjects and a wide variety of journals, periodicals and magazines. Our library is well equipped with more than 5,000 books.

Counseling Session

The school lays emphasis on open communication and counseling sessions are provided by the experts to help the students strengthen their emotional quotient. To gain better insight about the child's background and needs with regard to academic improvement, and personality development, a talk therapy session is provided with a vision to empower the core of the young learners.

Career Guidance

Career guidance sessions are conducted during the year to enable students to make the right career choice.

Science Lab

Science lab is a place where students enhance their learning by understanding the theoretical concepts studied in the classroom. Well designed laboratories not only make science experiments fun but also help students in achieving good academic results.

Mentor-Mentee system

The school embraces the mentoring system to build close, healthy and supportive relations between teacher and the student. Each teacher is a mentor to 5 hostel students. The mentor closely monitors the academic progress, attendance and socio-psychological development of each mentee.

Scholarships

Meritorious students as well as national and state level players are given special scholarships.

Computer and Internet Lab

The computer laboratory is equipped with advanced internet facility and enables the students to access the world of knowledge at the click of a computer mouse.

Sports and Games

With sports comes a sense of discipline, team spirit and confidence. Our school ensures a healthy lifestyle within the student community by encouraging them to participate in sports. Our school hosts numerous sporting events that bring us laurels.

Transport Facility

The transport facility currently includes 14 buses that are equipped with a Vehicle Tracking System (VTS). This allows the school to monitor speed and location of the route. This effectively ensures the safety and security of scholars on board.

Parent-Teacher Meeting

The Parent-Teacher meeting is a prominent and significant feature of the school curriculum. It is mandatory for all parents to attend the meeting.

Hostel

At Panduranga Ramana Nayak Amratha Bharathi Vidyalaya, students are assured of a homely stay by providing them comprehensive hostel facilities with rooms that are comfortable and well-furnished. Special study hours are held every day after the school hours, exclusively for hostel students.

Code of Conduct

Students should wear the school uniform and dress code must be strictly followed while in the school campus. Students shall always carry their Identity Card and School Diary (Calendar) in the campus and show the same on demand. Students are not allowed to carry any electronic gadgets. Students are not allowed to bring motor vehicles to the campus. Regular attendance is mandatory.

Festivals and sports days

The school focuses on the spiritual development of the students by celebrating all festivals in a unique way and strengthening their spiritual knowledge by conducting various competitions on Bhagavad Gita recitation. It also organizes Ramayana and Mahabharatha exams in association with Samskritha Bharathi Prathistana to develop interest in Indian epics.

Kids Park

The beautiful play area for kids has advanced and safe equipment to ensure their physical and mental health.

Canteen

The canteen, run on non-profit basis, offers wholesome and hygienic vegetarian food prepared by experienced cooks.

Prayer Hall

The school has a well-ventilated, well-furnished, adequately spacious prayer hall with seating for over 500 students, which has, over the years, played host to many seminars, symposiums and cultural events. It also offers facilities such as LCD and OHP projectors, screens, digital board and white boards for presentations.

Intellectual

Psychological

PANCHAMUKHI SHIKSHAN

We prepare the students to be

Physically - Vibrant

Emotionally - Patriotic

Socially - Useful

Intellectually - Intelligent

Spiritually - Rooted

PRN AMRATHA BHARATHI VIDYA KENDRA (CBSE)

Affiliation: Central Board of Secondary Education, New Delhi: 830476

Kindergarten: LKG, UKG

Classes: Std 1-10

Sanskrit, Hindi and Kannada are offered as a choice for an optional language

Classrooms are well lit and spacious. Each classroom comes with a smart board. The school is equipped with Math, Science - Physics, Chemistry & Biology (Atal Tinkering Lab) and well designed Computer lab. In addition, language lab helps the students as they explore new languages apart from their mother tongue.

The school has two libraries (one for the early years and the other for class 1 onwards). A media library gives access to the students to the audio-visual books and other educational documentaries.

PRN Amratha Bharathi Vidya Kendra has more than 2 acres of campus dedicated to the playground which includes a football ground, a running trail, a basketball court and multi-purpose courts.

Safety Features

- The school is under CCTV surveillance
- Safety audits are held regularly and cover all the major areas of the campus
